IMPORTANT TERMS OF OUR HOME EQUITY LINE OF CREDIT

This disclosure contains important information about our Home Equity Line of Credit. You should read it carefully and keep a copy for your records.

Availability of Terms: All of the terms described below are subject to change.

If these terms change (other than the annual percentage rate) and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees you paid to us or anyone else in connection with your application.

Security Interest: We will take a mortgage on your home. You could lose your home if you do not meet the obligations in your agreement with us.

Possible Actions: We can terminate your line and require you to pay us the entire outstanding balance in one payment or refuse to make additional advances against your line if: (1) you engage in fraud or material misrepresentation in connection with the line; (2) you do not meet the repayment terms; or (3) your action or inaction adversely affects the collateral or our rights in the collateral.

We can refuse to make additional extensions of credit or reduce your credit limit if:

(1) the value of the dwelling securing the line declines significantly below its appraised value for purposes of the line; (2) we reasonably believe you will not be able to meet the repayment requirements due to a material change in your financial circumstances; (3) you are in default of a material obligation in the agreement; (4) government action prevents us from imposing the annual percentage rate provided for or impairs our security interest such that the value of the interest is less than 120 percent of the credit line; (5) a regulatory agency has notified us that continued advances would constitute an unsafe and unsound practice; or (6) the maximum annual percentage rate is reached.

Minimum Payment Requirements: You can obtain advances of credit for 2 years (the "draw period"). Your payments will be due monthly and will equal the finance charges that accrued on the outstanding balance during the preceding month. The minimum payment will not reduce the principal that is outstanding on your line. You will then be required to pay the entire balance in a single "balloon" payment at the end of the draw period.

Minimum Payment Examples: If you took a single \$10,000 advance and the ANNUAL PERCENTAGE RATE was 9.50%, it would take 2 years to pay off the advance if you made only the minimum payments. During that period, you would make 23 payments of \$79.17 and one final payment of \$10,079.17.

Fees and Charges: To open and maintain a line of credit, you must pay us the following fees:

Points: None
Fees: None

You must carry insurance on the property that secures this plan.

Minimum Loan: The minimum loan amount must be at least \$2,500.

Tax Deductibility: You should consult a tax adviser regarding the deductibility of interest and charges for the line.

Other Plans: If you ask, we will provide you with information on our other available home equity loans.

Variable-Rate Feature: The line has a variable-rate feature, and the annual percentage rate (corresponding to the periodic rate) and the minimum monthly payment can change as a result. The annual percentage rate includes only interest and not other costs.

The annual percentage rate is based on the value of an index.

The index is the prime rate of interest as published each day in the Money Rate Section of the Wall Street Journal. To determine the annual percentage rate that will apply to your line, we add a margin to the value of the index.

Ask us for the current index values, margin, and annual percentage rate. After you open a credit line, rate information will be provided on periodic statements that we send you.

Rate Changes: The annual percentage rate can change daily. The maximum ANNUAL PERCENTAGE RATE that can apply is 20%. Apart from this rate "cap," there is no limit on the amount by which the rate can change during any one-year period. The minimum ANNUAL PERCENTAGE RATE that can apply is 5%.

Maximum Rate and Payment Examples: If the ANNUAL PERCENTAGE RATE during the draw period equaled the 20% maximum and you had an outstanding balance of \$10,000, the minimum monthly payment would be \$166.67.

This annual percentage rate could be reached in one day following the opening of the account.

Historical Example: The following table shows how the annual percentage rate and the monthly payments for a single \$10,000 credit advance would have changed based on changes in the indices over the past 15 years. The index values are from the first day of April each year.

The table assumes that no additional credit advances were taken, that only the minimum payments were made, and that the rate remained constant during each year. It does not necessarily indicate how the indices or your payments will change in the future.

Year	Index	Margin*	ANNUAL PERCENTAGE RATE	Minimum Payments
	%	%	%	\$
2010	3.25	1	5.00	41.67*
2011	3.25	1	5.00	41.67**

*This is a margin we have used recently.

**At the end of this year, a balloon payment of \$10,041.67 would occur. You would be required to pay the entire balance in one payment.

This is not a commitment to make a loan.

Important Information about Procedures For Opening a New Loan

To help the government fight the funding of terrorism and money laundering activities, **Federal law requires** all financial institutions to obtain, verify, and record information that identifies each person who opens an account, including loans.

What this means for you: When you apply for a loan, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We will also ask to copy your driver's license or other identifying documents.

At the time you submit your loan application to us, please provide your driver's license or other photo identification for us to copy. If submitting the application by mail, we can verify your identification at the time of loan closing. Because of **federal laws**, we cannot close your loan until all applicants have provided identification to a representative of Bloomsdale Bank.

Note to existing customers: Even though you may have previous loans or other accounts with Bloomsdale Bank, we are still required to obtain your identification to place in the loan file. Unfortunately, our federal regulators don't know you as we do and will be looking for a copy of your ID when they examine our loan files. We apologize for any inconvenience these changes may cause and we truly appreciate your cooperation in complying with the new regulations and helping in the fight against terrorism and money laundering.
